Welcome to European Union project CoSafe.

Cooperation for Safety in sparsely populated areas

The CoSafe project will hold the international conference

AWARENESS OF MOUNTAIN DISASTERS

~RISKS AND RESCUE~

in Akureyri in Iceland March 17, 2010.

The conference's guest project is a Botnia Atlantica project, Gränsöverskridande fjällräddning etapp 2 (The Cross-border Mountain rescue, stage two Project)

Two different European Union projects will meet during this conference and learn from each other.

Subjects will include an exhibition and lectures about hazard and risk health care preparedness and the role of crisis counselling in disasters, how can weather affect human security and environment?, organisation of wilderness training courses.

Report from the conference will be published in next newsletter.
